discussed water damage to Jon Fisher's unit
Triple State replaced pipe - crawl space dry-
put down lime. AMS Service will repair
damage to 2 bedrooms, drywall, paint, & carpet.

crawl spaces should be reinspected before
final repairs are done. Probably all of
carpet will have to be replaced.

spraying of bleach w/in walls will be done
to avoid spread of mold. Plastic tarp
will be used to avoid paint splash.

Sarah asked whether sealant will be used in
crawl space. That will have to be evaluated.

Muriel Deming left letter w/ board
requesting that evergreen shrubs be placed in
4 corners of 2500 courtyard. Landscaper.
